Record, Playback, and Backup Video for Days, Weeks, or Months at a time!

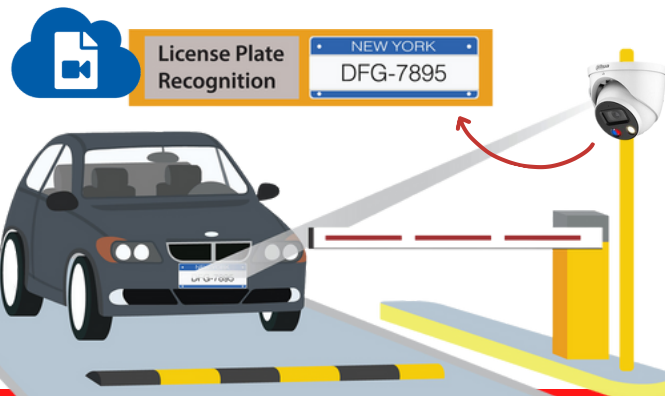

TWO WAY TALK

Multifunctional Hidden Cameras

NEW!

Transform your surveillance system with our new automatic license plate recognition software!

- ✓ Add to your existing cameras or upgrade to new ones.
- ✓ Track vehicles in and out of specific locations, etc.
- ✓ Easily search and report parking lot theft from vehicles, shoplifting, assaults, robberies, traffic incidents, drug activity, hit-and-run accidents, vehicle theft, etc.

Real-Time 24/7 Security Protection!
Would You Like To View Your Home or Business From Anywhere via The Internet, Smartphone or Tablet?

(4) Cameras and a Digital Video Recorder (DVR) including labor, price start at \$995. We have (1) to (8) Security Camera System Packages price starts from \$500 to \$1,800!

With The Increase In Crime In Our Community You Can Have The Added Security of Watching Your Home From Work, Monitoring Your Children, Employees, or other Security Needs!

We have GREAT DEAL\$ with any city or state Security Camera Rebate Program!

Please visit our website for information on receiving government rebates and grants for residents or businesses in Prince George's County, Howard County, Montgomery County, or the District of Columbia.

We are pleased to offer a discounted rate and FREE consultation tailored to senior living centers and apartment complexes.

Our Cloud-Based Video Surveillance Solution can be used with your existing security cameras, or you can replace them!

Record or back up your video footage directly to the cloud instead of a Digital Video Recorder (DVR) to protect security camera recordings in case of theft, fire, vandalism, or natural disasters, etc.
